Friday

Dear Mother;

I hope this letter reaches you tomorrow.

I heard from Uncle Jack and he is still down in Florida, although he is about ready to start North and has given me the name of a boat yard where he will stop for a few days.

Tomaorrow, Peggy and I are going to Washington to visit the Randalls. She is a freind of Peg's who we know. He is in the Marines but is now in Washington. It will be the first time away from Susan and I hope and think things will go all right. As you must know, Julia is going to take care of her. It will give them a good chance to get to know each other and at the same time will give us both a little change. We'll be back Monday. Then I am going to leave on a fast business trip out west to Dayton Ohio and Chicago.

Thanks for Susan's birthday present. We will put it in the bank. She received quite a few dresses and now has enough for the summer. Mrs. G gave her a birthday party in Northport. Mainly for the Mothers of course with several freinds of Peggy's and thier off spring.

Hope you are well and looking forward to your vacation in Canada.

Love,
