

Sunday

Dear Mother -

This is just a short note to let you know all is well. Wednesday morning we leave for Midland, Texas. I am going along. The other day I took a driving test which I passed. I suppose that now I will at least be an assistant driver. We are going by truck convey. The trip is about 600 miles and should take three days. We will camp out - night along the way in small pup. tents. It will be a good test of our maneuverability.

From what we have been told we will camp in a ball park. The searchlight batteries of two other regiments will be there and we will compete with them.

As things stand we plan to be there about a month. I believe my address will be just - 311 CACAD - Battery A, Midland, Texas. You can read a little there

but don't put anything important in it.  
I will let you know definitely as soon  
as possible.

Levy is being married April 19<sup>th</sup>.  
Dane is out at the Curtis airplane Co. in  
Buffalo.

I did go to the dentist - twice - all  
is o.k. He filled a couple of small  
holes.

Tomorrow I am to have my first  
dirty detail. I have K.P. to do.

Well, I can't seem to be able to  
write today. I will send a card  
soon as I think we will be busy  
for the next week setting up camp.

Yours, of course

J.
